

PERYCLEANSE™

SAY GOODBYE

BABY SHAMPOO

FOR EYELID CLEANSING

Percleanse Eyelid and Eyelash cleanser contains Tea Tree and citrus extracts.

Completely cleanses and sanitises the eyelids and eyelashes.

Remove all traces of eye-make-up including long-wearing and waterproof formulas.

Will not break down adhesives used in eyelash/brow extensions.

Great for cleansing make-up artist brushes and tools.

Ideal for sensitive skin and contact lens wearers, leaving eye feeling cool and relieved without any oily residue.

Discriptions

Percleanse™, eyelid cleanser gel with tea tree (50ml) – Aids in daily hygiene and removal of make-up from eye area.

Percleanse™ is designed to completely clean eyelids and eyelashes of all ocular secretions made in response to conditions such as Blepharitis.

Percleanse™ contains Tea tree to clean and sanitize the eyelids and eyelashes.

Great for pre and post eyelash extensions / eyebrow microblading.

Removes all make-up, even waterproof make-up. Always rinse after use for clean, fresh and healthy eyelashes.

Designed by a team of well experienced ophthalmologist, dermatologist and pharmacist, the gel gently cleanses the eyelids of all impurities, pre and post eyelash extensions and also effectively removes make-up from the eyes and face.

Percleanse™ is ideal for sensitive skin and contact lens wearers, leaving eyes feeling cool and relieved without any oily residue.

Very effective in Rosacea sufferers. Four facts on Blepharitis

- %50- %30 of children and adults suffer this condition
- Trials have shown a %49-%42 prevalence of the Demodex mite in patients with chronic anterior blepharitis
- Tea tree oil has not only anti-Demodex properties, but also broader, antibacterial, antifungal and anti-inflammatory properties that may enhance its therapeutic potential.
- Wonderful product to use if you have Rosacea.
