### Discriptions

Perylash™ Eyelash Growth Serum: Finally a premium lash growth serum eyelash enhancer that has all the best clinically studied proteins, amino acids, vitamins, and co-enzymes you look for that strengthen hair follicles of eyelashes and eyebrows, stimulating them to grow thicker, fuller, and longer! Help reverse weak, brittle eyelashes and eyebrows with an advanced eyelash growth enhancer serum.

Perylash™ Sparse Eyelashes & Eyebrows: The Perylash™ Eyelash Growth Serum gently

conditions your eyelashes and eyebrows over time leading to extensive lash boost. Perylash™ is specially formulated with natural nourishing ingredients to help grow eyebrows and eyelashes with continued use and care.

Enhancing Eyelash Serum: If you've ever waxed, shaved, or over-plucked your eyebrows and eyelashes before, then you should consider our eyelash serum to grow lashes and brows as a painless alternative to shaping the perfect lashes and brows! Our advanced formula will

help stimulate natural eyelash growth and eyebrow growth to look thicker, longer and fuller!

Beauty and Nourishment for All: We realize the importance of living our lives the way we were intended to, but we also understand the beauty in healthy hair and skin. We created our products with equal consideration of all the types of lifestyles that we all enjoy, each and every day. Regardless of how you enjoy your time, you deserve to have equally beautiful and nourished hair.
